General Comments

I am finding show my homework very useful, it helps me keep track of the homework my child gets, I can make sure he is doing it.

I am grateful and happy that my daughter is receiving extra maths lessons after school, she was really worried about the subject. Thanks for all the information tonight.

I was impressed with the staff and their delivery, they did inspire confidence.

If there are sessions for Year 10 in the future during the day, would there be a possibility for after school e.g. 4pm – 5pm or emails as a full time working parent, work is not always in agreement for time.

Thank you . Very helpful session, content well delivered.

Very informative evening

Informative evening for parents

I'm really happy about all the information have got and confident that my child has got full support.

Well done St Matthew's.

Very informative and useful evening.

I have received very useful texts re: maths during Year 10.
