

Attendance Guidance

2016 – 2017

We Care, We Pray, We Achieve

Review Date: July 2017

Introduction

Pupils' attendance at St. Matthew's High School has improved year on year, this is due to the high expectations set of all those in our community. We aim to improve this further to ensure we are above national expectations for overall attendance. To do this we aim to create an environment where every pupil wants to attend school every day throughout the year. For all our pupils to achieve their very best and reach their potential it is vital that they attend regularly and on time.

This guidance sets out how we can work together to achieve this.

Why regular attendance is so important

Any absence from school disrupts the learning pattern of pupils. Even one day's absence can put a pupil behind in five different subjects and cause learning to be lost which can never be gained back at the same level of expertise. In some subjects, where group work is vital, the learning of other pupils is also hindered. This is particularly important in years 10 and 11.

Ensuring your child attends school every day is **your** legal responsibility. Permitting absence without good reason could result in fines or prosecution. - It is a criminal offence under Section 444 of the 1996 Act to fail to secure the regular attendance at school of a child who is a registered pupil at the school. On conviction, the magistrates' court may impose a fine of up to £2,500 or imprisonment for up to 3 months, or both. In addition, you would obtain a criminal record.

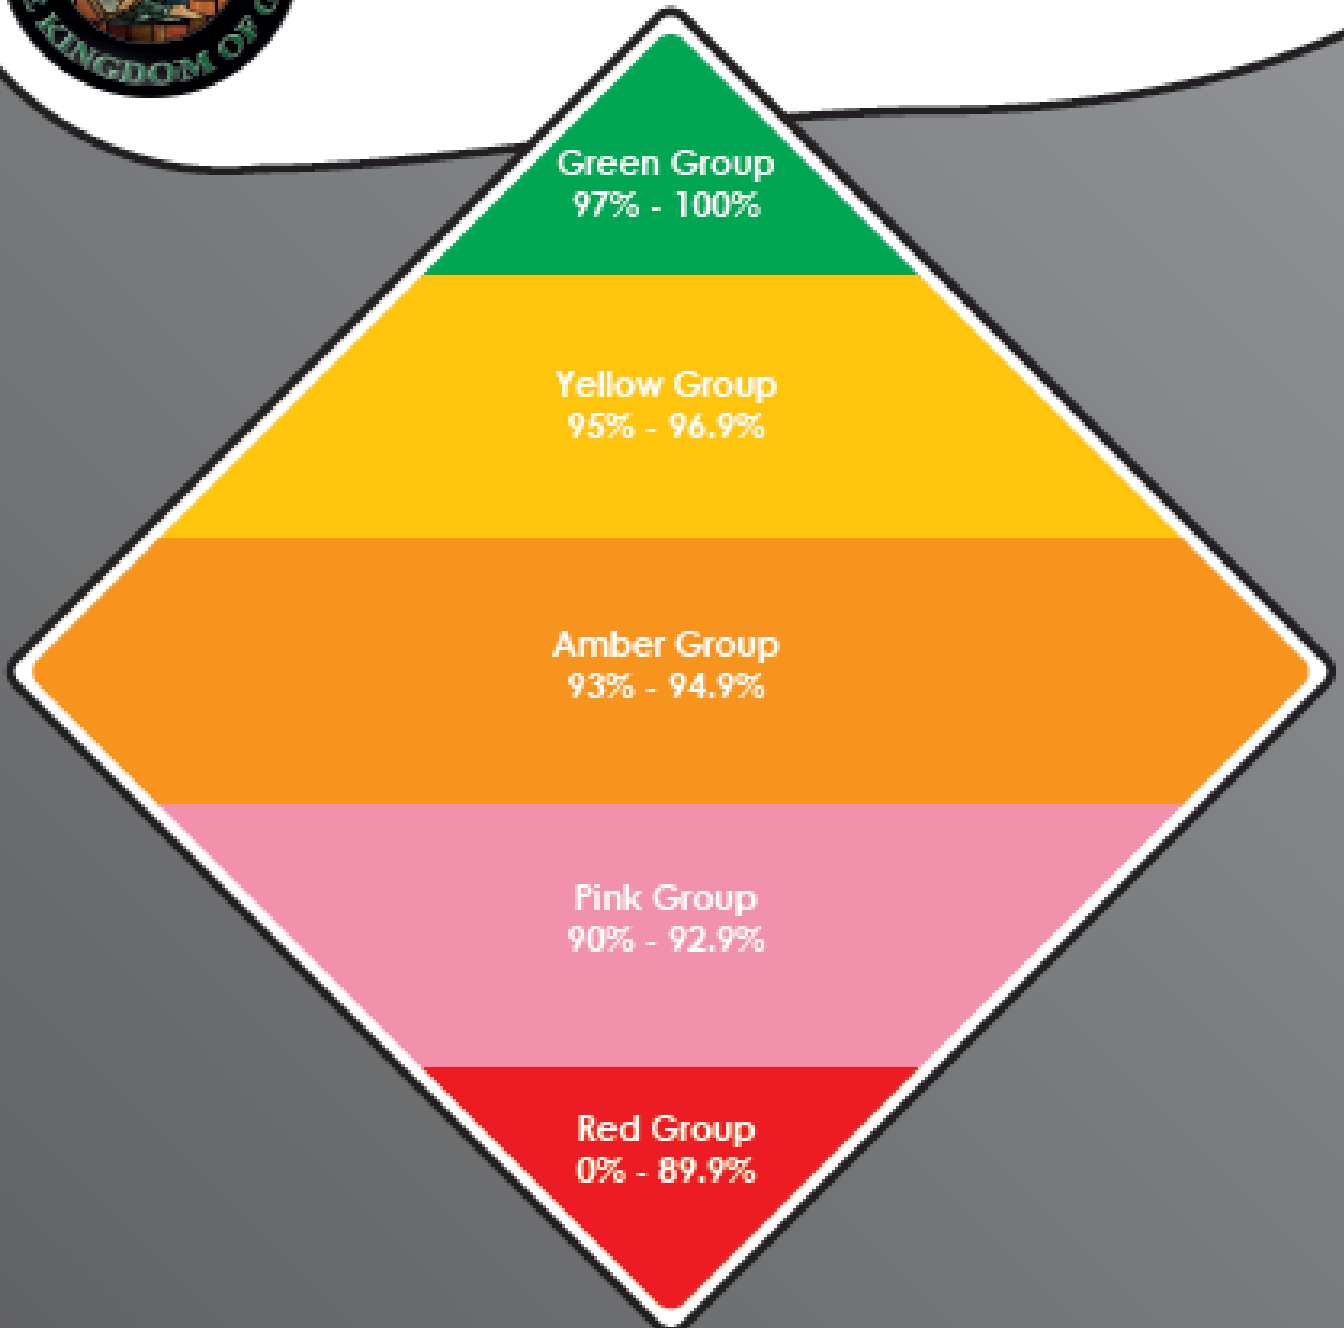

Promoting Regular Attendance

Helping to create a pattern of regular attendance is everybody's responsibility: the school, parents, carers and pupils. To help us all in this, as a school we will:

- Report to you at least three times a year on where your child's attendance is at and how this is impacting on their progress.
- Celebrate 100% and improving attendance through assemblies and the annual awards evening.
- Reward 100% and improving attendance through weekly checks, text messages and Vivos.
- The attendance diamond below is displayed in all classrooms. It will be used in discussions with all pupils about their attendance. Encouraging your child to stay in the green section of the diamond is important for their overall progress in school.

Understanding types of absence

Every half-day absence from school has to be classified by the school, as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required in writing. The Attendance Team will decide based on the information provided whether to authorise or not authorise the absence.

- Authorised absences are mornings or afternoons away from school for a good reason such as illness, medical/dental appointments which unavoidably fall in school time, emergencies or another unavoidable cause. However time absent for medical appointments should be minimised and pupils should always both attend school before the appointment and return after the appointment where possible.
- Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This type of absence can lead to using sanctions and/or legal proceedings. Unauthorised absences includes:
 - Parents/guardians keeping children off school without an acceptable reason
 - Truancy before or during the school day
 - Absences which have never been explained
 - Pupils who arrive at school after 9am
 - Shopping, looking after other children or birthdays
 - Family day trips and holidays in term time.
 - Repeated medical appoints that could be taken after school

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

Persistent Absence (PA, 10% absence or attendance of 90% or below):

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parents' fullest support and co-operation to tackle this.

We monitor all absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately.

PA pupils are tracked and monitored carefully through our pastoral system, in particular through the Pastoral team and your child's Pastoral manager. You may receive a visit from a member of the team, a letter to inform you that your child is getting close to the PA mark or child may be placed on an attendance monitoring report.

Any absence resulting in attendance of 90% or below, regardless of the circumstances is a serious concern and may result in St. Matthew's taking further action.

Absence procedures

If your child is absent you must:

- Contact school, in particular the Attendance Team, on the first day of absence.
- Contact school on any further days of absence.
- On your child's return to school, provide a letter explaining the absence or a medical note. This must be provided even if you have telephoned the school.

If your child is absent, the school will:

- Telephone you or text you on the first day of absence if you haven't contacted school.
- Visit you at home on, or before the third day of absence.
- If your child has been off previously, the home visit may be on the first day of absence if you haven't contacted school.
- Invite you in for a meeting to discuss absences if absences are a regular occurrence.
- Remind you of regular attendance and where your child is at if it falls to 90% through a letter.
- Send fines home for attendance causing concern or for unauthorised leave of absence
- Refer you to the Local authority for prosecution if your child's attendance shows no improvement despite attempts to resolve concerns with you.
- On your Child's return to school the Form Tutor or Pastoral Manager will complete a return to school form with them.

Telephone numbers:

To ensure your child's absence is reported to you quickly, please ensure you keep the school informed of any telephone changes. It is helpful for a mobile number so that texts can be sent.

Requests for leave of absence

Taking holidays in term time is not permitted. You may request time off by completing a written letter to the Head teacher. In exceptional circumstances, the Head teacher may agree to authorise a holiday. All other requests will be denied.

In addition to holidays, parents may see it fit to request to take their child out of school during term time for other reasons. The Head teacher may not grant leave unless there are exceptional circumstances. Examples of exceptional circumstances are:

- Death of parent / carer or sibling of the pupil
- Life threatening or critical illness of the parent/carer or sibling
- Leave for armed forces personnel who are prevented by operational duties to take their leave at any other time
- Leave of absence granted at a previous school within the last six months (supporting documentation from the previous school is required)

The Headteacher will consider the circumstances the leave is being requested for along with the following factors:

- Pupil's current attendance record
- Year group the pupil is in
- How close to examinations the request falls
- The duration of the absence

All requests should be handed in to the Attendance Officer who will contact the parent / carer with the final decision made.

Punctuality

Poor punctuality is not acceptable, to school or to lessons. Late pupils disrupts the learning of those around them and the late pupil themselves misses vital explanations of the day's work. A pupil who is only 5 minutes late to each lesson, misses three and half weeks of learning each year – learning which is lost and can never be made up for.

Late to school:

The first session of the school day begins at 8.25 am, therefore all pupil are expected to be in school ready to start this session at 8.20 am. Any pupil who arrives after 8.30am will be signed in late for school. This will result in an automatic 30 minute detention the same day after school. You will be informed of this detention via a text message.
